

Pinwheels for Prevention Order Form

PINWHEELS will represent this theme as we live it out across the entire state in many different ways including health fairs, community projects, candlelight vigils, school projects, and others.

Prevent Child Abuse Oregon is pleased that we can make brightly colored 7" diameter PINWHEELS on 12" dowels available to you and your community in limited quantities. The **PINWHEELS** can be carried, given out at events, planted as a lawn display, lined up along a sidewalk or pathway, or used in any number of ways to raise awareness of how important the choices we make are to the well being of our children.
